Carolina 29401) for a Class C (Charter))	
Certificate of Public Convenience and)	
Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Limos for Less Charleston, LLC (“Limos for Less” or the “Applicant”) to reinstate the Applicant’s Class C Charter Certificate of Public Convenience and Necessity No. 8212 issued to the Applicant pursuant to Commission Order No. 2009-891, dated December 18, 2009.

On November 4, 2010, a Petition for a Rule to Show Cause¹ was filed by the South Carolina Office of Regulatory Staff (“ORS”) as to why the Certificates of Public Convenience and Necessity of certain carriers should not be revoked for failure to maintain and file evidence of insurance and thereby failing to comply with the statutes governing operations of Motor Vehicle Carriers in South Carolina. The record reflects that the Applicant was listed in and served with the Rule to Show Cause for failure to maintain and file evidence of insurance.

¹ See Docket No. 2010-371-T.

For those motor carriers who had not responded to the prior notifications of noncompliance, a formal hearing regarding this matter was held on January 12, 2011. The Commission found that the Certificates of Public Convenience and Necessity held by certain carriers, including the Applicant, should be revoked and cancelled for the violation of failing to maintain and file evidence of insurance. Accordingly, the Commission issued Order No. 2011-49 on January 18, 2011, which cancelled the Applicant's Certificate No. 8212.

By request filed June 29, 2011, the Applicant requests that the Certificate in question be reinstated. Limos for Less states that it never lacked insurance but a clerical error concerning the name on the policy made it appear as if the insurance had lapsed.² ORS supports reinstating the Certificate. Further, the original Application for certification of Limos for Less, which is on file with the Commission, provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the above-mentioned Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations, and that prior to such compliance and certification, regulated motor carrier services shall not be provided by the Applicant.

² A letter of protest and numerous comments received by ORS impacted the Commission's schedule for ruling on this matter. However, according to a letter submitted by ORS on October 25, 2011, no opposition to reinstatement currently exists.

IT IS THEREFORE ORDERED:

1. That Class C Charter Certificate of Public Convenience and Necessity No. 8212 of Limos for Less Charleston, LLC be, and hereby is, reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, the motor carrier services authorized by the Certificate shall not be provided.

4. This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
